Honorable Judge Michael A. Ponsor:

RE:05-30082-MAP

Good Morning! Please find enclosed copy of the service of process that the United States Marshall's executed regarding this complaint.

I don't believe that the service of process was proper because the U.S. Marshall did mark off that the Defendant's actually received the documents, when in fact, it is implausible to determine that the defendants did receive them. In the first service, regarding my ex-wife's partner, Gary Matteson, my daughter, a minor, fourteen years of age, received a document for this individual.

In the second service, the service of process was delivered to a person named Dina Kamansky, a Staffing Coordinator, at my ex-wife's place of employment.

The documents were to be delivered AT the addresses but TO the named defendants.

There is a check box that the United States Marshall stated he personally delivered the documents to the named individual but on each form, that is clearly not the case, on these two services.

Lastly, the United States Marshall has not returned the service for the third co-conspirator, Evan Ehmann, LICSW that conspired with the other co-defendants.

I am praying that your honor will order the United States Marshall to re-serve, expeditiously and properly, the complaint against the individuals named in the complaint since the service was not done properly for Mary Jane Stern and Gary Matteson.

Thank you for your consideration in this matter.

Most sincerely and respectfully,

Scott Stern
